Tougaloo College

June 23, 2018

Dear Fellow Alumni and Friends:

It is my special privilege to extend greetings on behalf of the Tougaloo College family as we join the Memphis Area Alumni Chapter for this festive event, *The Bluff City Summer Soulstice Affair*. We express our gratitude for your support and presence here this evening. We likewise express our appreciation to our Memphis Area Alumni Chapter for sponsoring this event to generate funds to support Tougaloo College and the transformational learning opportunities we provide to our students.

It is a great time to be supportive alumni and friends of Tougaloo College – an institution that has played a transforming role in the evolution of America's democracy – as we celebrate our Sesquicentennial Anniversary in 2019. It has been the incredible achievements and contributions of our alumni, like you in the Memphis Chapter, who have illuminated the College's success in many arenas of higher education. Tougaloo stands tall because our alumni soared higher into all the spheres of possibilities and made their marks on the world. We are grateful you are continuing to invest to enable today's students the opportunity to soar and make their own marks on a changing world.

It continues to be ranked among the top performing colleges and universities – top 25 U.S. institutions whose graduates earn their Ph.D. degrees in the science and engineering disciplines; one of the top 10 Best Bang for the Buck colleges in the southern region; top 15 HBCUs who graduate females with undergraduate degrees in the physical sciences; and the top 50 Minority Degree Producers for graduating African American students with baccalaureate degrees in the social sciences. It is also consistently ranked among the top 20 HBCUs in the nation.

The impact that Tougaloo College has had on the community, state, and nation is immeasurable. Thank you for your investment in this *special place* we all know as Tougaloo. Your support advances our work as a place of *excellence*, *relevance* and *influence*, the place that creates the future, *transforming lives – transforming the world*.

Sincerely,

Beverly W. Hogan

President

Fellow Alumni and Friends:

Welcome to our Inaugural Bluff City Summer Soulstice Affair!

As President, I have the honor of working with a dedicated and enthusiastic group of Memphis Alumni. We have been busy planning an exciting event. As we continue to establish our chapter as a leading voice for our Dear Eagle Queen, we call on alumni to get involved, volunteer and support the chapter. Joining the chapter encourages continued success for our students and support for the college. This chapter belongs to you! Help us keep it strong!

We have a fantastic group of chapter and community sponsors. Without your support, we would not be able to provide services and events that are so important to the college, students and alumni. I want to take this opportunity to sincerely thank our sponsors for your continued support.

At the same time, I would challenge our alumni to think of ways you can give back to the College to whatever degree you are comfortable. I do not mean just monetarily, though that is, of course, always welcome. Donating to the **1869 Fund** is not just "sending money to the college" — it is an investment in the future of our community and world. There are many students at Tougaloo who would not be able to attend without our assistance. I like to think of my donation as "paying it forward" and assuring that our Eagle Queen can continue to be a high-quality institution. Investing comes in many forms of giving back, from career and academic mentoring to volunteering time at on- and off-campus events to simply attending academic and social events. As you will find, giving back has another benefit: it feels good.

If you have not visited the college recently, I highly encourage you to do so, especially when students are on campus. I believe you would agree with me how passionate and incredible the students are these days, and that supporting them is a very worthwhile cause.

So thank you for supporting our signature event, The Bluff City Summer Soulstice Affair! I encourage you to stay connected to make **Our Chapter** and **Tougaloo** stronger!
